2023 Elizabethan Award Recipient

Catherine Taylor Yank

HSHS St. Elizabeth's Foundation is honored present Catherine Taylor Yank, owner and CEO of Jim Taylor, Inc., aka Taylor Roofing, with the 2023 Elizabethan Award. The award recognizes Catherine for her commitment to HSHS St. Elizabeth's Hospital and the expansion of health care services in southwestern Illinois.

Catherine Taylor Yank is a longtime advocate of St. Elizabeth's Hospital and has dedicated years of service as a volunteer leader and philanthropist. Catherine served on the HSHS St. Elizabeth's Foundation Leadership Council (formerly the Friends of St. Elizabeth's Hospital Board) from 2009-2023. Likewise, she served on the Hospital Sisters of St. Francis Foundation Board until July of this year. In 2017, Catherine and her husband Greg Yank donated a $1 million life insurance policy to HSHS St. Elizabeth's Foundation in support of the St. Elizabeth's Hospital capital campaign, receiving special recognition in the new hospital's emergency department. Catherine continues her generous support of St. Elizabeth's Hospital with Taylor Roofing serving as a perennial Diamond sponsor of the Elizabethan Gala.

Catherine's service extends to the greater metro east community. She is a longtime Rotarian and is a member of the Rotary Club of O'Fallon Sunrise. In 2000, she was recognized as the Carl L. Schweinfurth Rotarian of the Year for her commitment to community service. She served as Rotary International District 6510's Governor from 2005 to 2006 and remains active today.
