2026 Plan Year – Network Service Area

How to Determine If You Are in the Tier 1: HSHS/Prevea Service Area

The HSHS Health Plan Network is made up of two (2) tiers:

- **HSHS + Extended (Tier 1)** - HSHS/Prairie/Prevea plus community partners or supplemental providers to ensure adequate provider access such as Springfield Clinic, SIU, PCIN network providers, SSM, SLU, Mercy, Froedtert, University of Wisconsin, and other select providers.
- **UHC Choice Plus (Tier 2)** - Broad, nationwide United Healthcare network.

Coverage for services varies by tier with Tier 1 providing a higher level of benefit (lower deductible, lower colleague coinsurance percentages, etc.) Tier 2 provides access to a broad network of providers without requiring prior approval. ***You will always receive the highest level of benefit when using an HSHS, Prairie or Prevea provider or facility – including 100% coverage for many common services.***

Note: Colleagues or dependents who live outside of the HSHS service area will receive the Tier 1 benefit level for any services received from a UHC Choice Plus Provider.

You live inside the HSHS/Prevea service area if the county or zip code of your primary home residence is shown in the charts below:
