New HSHS COVID-19 SUPPORT ADDENDUM Order Set

The new **HSHS COVID-19 SUPPORT ADDENDUM** order set will go **LIVE** on **Friday, March 20**.

The development of this Order Set stems from multiple requests across HSHS to provide content to quickly order supportive care for the Emergency Department and/or hospitalized COVID-19 patients.

The content is based on multidisciplinary input from HSHS Providers, Pharmacists, and Registered Nurses this past week.

Our team recognizes the ongoing changing landscape of this Coronavirus pandemic, and that edits to the COVID-19 SUPPORT ADDENDUM order set may be necessary.
