

## Server Updates and Downtimes

Epic Users will experience a 1-2-minute pause tomorrow, **Thursday, April 16th at 5 am** while updates are applied. Users will see a pop-up letting them know it is occurring.

Security updates planned for **Friday evening April 17<sup>th</sup>**

*Please do NOT log off at the close of work Friday, simply lock your computer so that updates can be applied automatically*

There will be a limited downtime on **Sunday, April 19<sup>th</sup>.**

*There will be no end-user impact or service interruption for Epic.*
