Dear Friends,

In 2020/2021, HSHS St. Joseph's Hospital Breese has faced many unprecedented challenges. One of those challenges included the inability to hold our annual foundation fundraising gala, which generates thousands of dollars to help support vital health care programs and services for our community. This year, we are moving forward with a renewed spirit as we are excited to host HSHS St. Joseph's Foundation Golf Classic in lieu of the annual gala.

There are many opportunities to support HSHS St. Joseph's Foundation with sponsorships and donations, as well as team and individual participation. As such, I am asking you to consider sponsoring and participating in our upcoming tournament.

Donors, like you, play an integral role in enhancing the care St. Joseph's Hospital provides to our patients (your family, friends and neighbors) each year. Last year alone, St. Joseph's Foundation supported our hospital with purchasing more than \$300,000 in needed diagnostic, surgical and other medical equipment to enhance our mission and the services we provide to our patients. Additionally, services such as the Friends Van free shuttle, the Cancer Care Closet and so much more are fully funded by donors each year.

Proceeds from the tournament will be used to purchase state-of-the-art ultrasound technology which will better support members of our anesthesia and surgical services team in their efforts to effectively place nerve blocks for improved pain control. In addition, this equipment will allow our surgical team to bring new and different surgical procedures to St. Joseph's Hospital, supporting our efforts to keep highly specialized care close to home.

I want to thank you in advance and say we sincerely appreciate any assistance you can offer the HSHS St. Joseph's Foundation in reaching its 2021 fundraising goal. Your support ensures that our hospital remains vital to the health of our community.

A member of our Foundation Leadership Council will contact you in the coming weeks to discuss the ways in which you would like to be involved in our charity event.

If you have questions or require additional information, please feel free to contact our Foundation Office at (618) 526-5698 or at SJBFoundation@hshs.org.

Sincerely,

Chris Klay, MHA, MA, PT, FACHE
