Honor your HSHS Caregiver

At HSHS St. Joseph's Hospital Highland, our medical professionals work together, using the latest technology and modern facilities to provide excellent care close to home. Our highly trained and experienced staff represent a wide range of specialties, and play a big role in caring for our patients.

Tell us how your caregiver made a difference in your procedure, and that you would like to thank him or her with a donation in their honor.

Your Gift Makes a Difference

Without gifts from our community, HSHS St. Joseph's Hospital Highland would not be able to do all it is called upon to do.

Gifts to the HSHS St. Joseph's Foundation sustain and strengthen programs and services that improve people's lives at times of uncertainty. Gifts may be unrestricted or directed to many specific areas of support.

Please tell us about your experience with your caregiver.

HSHS St. Joseph's Hospital Highland will notify your caregiver of your donation.

To learn more about the HSHS St. Joseph's Hospital "Honor Your Caregiver" program, and other giving programs, please contact the foundation department at 618-954-9998.
