Honor your HSHS Caregiver

At HSHS Holy Family Greenville, our medical professionals work together, using the latest technology and modern facilities to provide excellent care close to home. Our highly trained and experienced staff represent a wide range of specialties, and play a big role in caring for our patients.

Tell us how your caregiver made a difference in your procedure, and that you would like to thank him or her with a donation in their honor.

Giving Back

Participation in the “Honor Your Caregiver” program, will help HSHS Holy Family meet future and unexpected needs. Healthcare technology and equipment costs continually rise, and your contribution is a meaningful expression of your gratitude for your caregivers service and dedication to you, their patient. Advancement in excellent healthcare begins with you, our patient!

Your Gift Makes a Difference

Without gifts from our community, HSHS Holy Family would not be able to do all it is called upon to do.

Gifts to the HSHS Holy Family Foundation sustain and strengthen programs and services that improve people’s lives at times of uncertainty. Gifts may be unrestricted or directed to many specific areas of support.

Please tell us about your experience with your caregiver.

HSHS Holy Family Greenville will notify your caregiver of your donation.
