

January 2026

In January, we celebrate the Feast of the Epiphany, which is the commemoration of when the Magi journeyed to see baby Jesus and offer him the well-known gifts of frankincense, gold, and myrrh. Some have speculated that these valuable gifts may have been God's way of providing for the journey that lay ahead of Mary and Jospeh. At HSHS, we too are on a gift-laden journey. We chart a vocational course to deliver our time, skills, and talent to those who need our care. We too hope that our gifts may be used by God to provide for their journey ahead.

REFLECTION

"Gratitude brings a peace that helps us overcome the pain of adversity and failure. Gratitude on a daily basis means we express appreciation for what we have now without qualification for what we had in the past or desire in the future. A recognition of and appreciation for our gifts and talents which have been given also allows us to acknowledge the need for help and assistance from the gifts and talents possessed by others."

-Robert D. Hales

TEAM DISCUSSION

- What gifts (time, talent, love) am I bringing to the world through my work, and how can I offer them more fully?
- How are my gifts used to provide for others' journey?
- What gifts and talents do I most appreciate in my colleagues?
