

Group Accident Insurance

How does it work?

Accident Insurance provides a set benefit amount based on the type of injury you have and the type of treatment you need. It covers accidents that occur on and off the job. And it includes a range of incidents, from common injuries to more serious events.

Why is this coverage so valuable?

It can help you with out-of-pocket costs that your medical plan doesn't cover, like co-pays and deductibles. You'll have base coverage without medical underwriting. The cost is conveniently deducted from your paycheck. You can keep your coverage if you change jobs or retire. You'll be billed directly.

Who can get coverage?

You	If you're actively at work*
Your spouse	Can get coverage as long as you have purchased coverage for yourself.
Your children	Dependent children from birth until their 26th birthday, regardless of marital or student status. Child coverage is available until the child's 30th birthday if the dependent child is actively enrolled in the military.

*Employees must be legally authorized to work in the United States and actively working at a U.S. location to receive coverage. See Schedule of benefits for a complete listing of what is covered.

How much does it cost?

You	\$1.89
You and your spouse	\$3.39
You and your children	\$3.65
Family	\$5.15

You are considered in active employment if, on the day you apply for coverage, you are being paid regularly for the required minimum 16 hours each week and you are performing the material and substantial duties of your regular occupation. New employees have a 0 day waiting period to be eligible for coverage. Please contact your plan administrator to confirm your eligibility date.

If enrolling, and eligible for Medicare (age 65+; or disabled) the Guide to Health Insurance for People with Medicare is available at <https://www.medicare.gov/publications/02110-medigap-guide-health-insurance.pdf>
