

Dear Friends,

Our annual HSHS St. Anthony's Foundation Golf Benefit is underway, and this year we are supporting the needs of future generations.

We are raising funds for our Center for Pediatric Therapy which offers cutting-edge treatments catered specifically to the unique needs of children in a child-friendly environment, promoting development, improving mobility and encouraging independence.

Previous contributions have already supported our Center by providing their "SpiderCage" Universal Exercise Unit, a revolutionary piece of equipment enhancing pediatric rehabilitation and therapy for children with developmental delays, injuries and neurological conditions.

Please make note of the date and location of this year's benefit and review the wide variety of sponsorship opportunities. Thank you for your consideration and continued generosity!

For more information, scan the QR code or contact the foundation at 217-347-1854 or Michael.Wall@hshs.org.

Blessings,

Michael
