

HEALING GARDEN PAVERS

HSHS St. Joseph's Foundation invites you to order an engraved paver as a gift in honor or in memory of one of your loved ones.

An engraved paver placed in the healing garden at St. Joseph's Hospital in Breese is a wonderful way to honor your loved ones. The pavers will be prominently placed inside the garden located near the inpatient wing on the hospital campus. Proceeds from the paver sales will go towards maintaining and preserving the beauty of this tranquil place. The cost of the pavers is tax deductible to the extent allowed by law and there are limited spaces available. Please order yours today!

For those wanting to purchase a paver in memory of infant loss from the SHARE Group, please contact Chris Gebke at christine.gebke@hshs.org or 618-526-5351.

GUIDELINES TO ORDER PAVERS

1. Earlier contributions to HSHS Foundation are not applicable to the purchase of a paver.
2. Pavers will be inscribed collectively twice per year on May 1 and September 1. Placement will then take place by June 1 and October 1.
3. Paver inscriptions are not limited to a number of letters, but the font size will change with the length of the inscription and the size of the paver ordered.
4. The paver inscriptions are limited to text only, no images or colors, must be in good taste and be approved by HSHS staff prior to installation.
5. 100% of the proceeds raised by paver sales are expressly earmarked for the maintenance and improvement of the healing garden each year.
6. Placement of the pavers is at the discretion of HSHS St. Joseph's Foundation.
7. The purchase of dedicated benches along walkways may also be purchased for \$5,000 each (limited number available - first come, first served availability).
