

Certified Nursing Assistant Training Program

SCAN CODE
TO APPLY!

The HSHS St. Mary's Hospital Certified Nursing Assistant (CNA) program is a paid three-week course.

The program:

- Combines classroom education with hands-on clinical experience.
- Provides on-the-job training.
- Prepares participants to take the next steps towards a fulfilling career in patient care.
- Provides paid training with guaranteed job at the hospital upon successful completion and testing.

The next cohort begins October 13, 2025.

The deadline to apply is September 15.

To apply, please scan code above or go to: http://hshs.wd1.myworkdayjobs.com/hshscareers/job/Green-Bay-WI/St-Mary-s-CNA-School_R1031821-1

"As I started in bedside care, the CNA school provided me with the knowledge and skills that I needed to ensure that I am confidently able to provide good care to my patients. I continued to learn and further my skills in med-surg and am currently working as an ED tech. I am now working towards my RN, and I recommend the CNA school to anyone who is looking to do the same."
