2025 Financial Assistance Program

Hospital Sisters
HEALTH SYSTEM

We are committed to providing medically necessary care by offering financial assistance for co-pays, deductibles or medical services to individuals who qualify.

Financial assistance based on the ability to pay

At Hospital Sisters Health System (HSBS), our mission is caring for all people. High-quality care is our commitment — regardless of ability to pay, race, color, creed, sex, national origin or ancestry.

Because our resources are limited, we must set guidelines. These guidelines help us to assist patients who are least able to pay. They do not prevent anyone from seeking medical treatment.

To qualify for assistance

- Complete an application form (we can help you complete the form if needed);
- Provide documentation of income;
- Provide a statement of assets (what you own);
- Prove that you have explored all other means of assistance, including private insurance and public aid when appropriate.

These guidelines are effective January 2025, and are subject to change without notice.
