

NOTICE

Medical Staff Members and Allied Health Professionals may contact the Director of Risk Management (920-884-5719) and/or the Quality Facilitator-Regulatory Specialist (920-884-5680) with concerns about safety or quality of care provided at St. Mary's, St. Nicholas, St. Clare, St. Vincent, Sacred Heart, or St. Joseph's Hospitals.

Anyone who has concerns about the safety or quality of care may share those concerns with The Joint Commission Office of Quality Monitoring by phoning 1-800-994-6610 or by sending an e-mail to complaint@jointcommision.org. No disciplinary or punitive action will be taken if a report has been made.
